

THE POP-UP BATHROOM

TEMPORARY BATHROOM THAT FITS INTO ANY STANDARD GARAGE

- Designed to sit in an internal garage to provide a quick solution to accessible bathroom needs
- 2930cm long x 2130cm wide
- 1400cm with roof down - 2280cm with roof up
- Floor to ground approximately 175mm
- The Pop-Up bathroom is completely self-contained, simply placed on the floor of your garage and connected to the closest power and water sources.
- Full wet floor, including toilet, adjustable height hand basin and 1.2m x 1.8m walk in shower.
- The enclosure provides a warm area to shower and dress in, even in the middle of winter.
- Inbuilt macerator pump to transfer waste to the nearest toilet or holding tank, where it will be collected on a regular basis.
- The Pop-Up bathroom requires NO building consent and can be installed in less than a day.
- A wheelchair lift can be provided, or if space permits, a simple ramp can be fitted.
