PORTABLE RENTAL CABINS

Whether you need extra accommodation, storage, or a space to work, renting a relocatable cabin is a convenient and affordable short or long-term solution.

Benefit from the flexibility of leasing to add space, achieve independence and expand opportunities. Highlander has a wide range of cabins.

FAQ

What rental periods are available?

Highlander Cabins, Sleep-outs and Utility buildings are subject to a minimum rental period of six months, or by negotiation. Rental periods are open ended and can be tailored to your particular requirements.

Is a form of bond required at time of contract?

A refundable deposit is payable at the time of hire. The amount refunded is dependent upon the condition of the cabin when the rental period ends.

CUSTOMER TESTIMONIALS

"Just like to say that your guy's did an awesome job installing the Highlander and I took pictures and video clips to show my wife and she's rapped as. Was nice to see her a little bit happier for once. Wouldn't hesitate recommending your company to anyone. So thank you very much."

"We just love our Highlander cabin! Right from the first point of contact the team at Highlander have made this experience super easy, we wanted a custom cabin for our home salon and Highlander were open to everything we needed and made the whole process stress free! From planning stage right through to delivery .. all our needs were exceeded, the delivery team went above and beyond to get us set up and it's perfect! Thankyou to each and every one of you who helped us achieve this dream ... we love it!"

- Melissa

WHAT MAKES HIGHLANDER STAND OUT?

- Practical and adaptable, our Highlander is constructed to be strong and robust.
- A good voyage is stress-free, so we make moving and relocating a Highlander easy.
- We like comfort, so double cladding and double glazing keeps you cozy in winter and cool in summer.
- When you rent a Highlander, we know the true worth of a dollar, so if we expect value, so can you.
- Our clan loves a good chance to make people feel at home.
- Our footprint is small, but our concept of space is big.
